Company Brief Introduction

SENYE METAL PRODUCTS CO LTD is located at Huizhou City, Guangdong Province in Southern China. We are specialized in producing metal and soft pvc gifts and premiums since 2000. As an integrated enterprise, we provide comprehensive services from product design and development, advance technique in mold making and mass production, product testing, packaging and shipment arrangement !

Presently, our factory has 25,000 square meters of building area, which is equipped with updated production machines & 500 highly skillful workers. We have experienced engineers to design molding and qualified technician to monitor sample and mass production process. Nowadays, our products are sold throughout the world, Mainly Europe, USA and Asia. We are very experienced in producing custom designs and we

also develop new items regularly to suit our customers' need. Our product range is wide includes pin, keychain, ashtray, opener, medal, coaster & various gifts premiums in form of metal materials such as stainless steel, aluminum, copper, iron, zinc alloy & soft pvc.

We have gained the international accreditation of ISO 9001:2008 & this help to ensure our production control from material sourcing to complete good and product safety requirements. Our factory is audited by international testing company every year to make sure we are the right supplier and our goods are safe for our customers. Our product quality can meet the safety standard of ROHS, REACH, CPSIA, HR4040.

WE ARE READY TO SERVE YOU WITH OUR BEST PRICING AND PRODUCTS.
